Re: Request for Waiver of Regulatory Fees
Fee Control No. 00000RROG-03-002

Dear Mr. Ogren:

This is in response to your September 14, 2002 request for waiver of the Fiscal Year 2002 (FY 2002) regulatory fees for FM translators W296AD, W280AF, and W267AF, located in Eagle River, Phelps, and Rhinelander, Wisconsin, respectively. These stations are licensed to Cross Comm., Inc. (Cross Comm.). You state that that Cross Comm.'s translator stations are not licensed to, in whole or in part, and do not have common ownership with, the licensee of a commercial broadcast station. You also state that Cross Comm.'s translator stations do not derive income from advertising, and are dependent on subscriptions or contributions from members of the community served for support.

In implementing the regulatory fee program, the Commission stated that it would waive its regulatory fees for any community-based translator station that:

(1) is not licensed to, in whole or in part, and does not have common ownership with, the licensee of a commercial broadcast station; (2) does not derive income from advertising; and (3) is dependent on subscriptions or contributions from members of the community served for support.

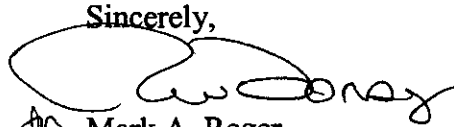

Implementation of Section 9 of the Communications Act, Memorandum Opinion and Order, 10 FCC Rcd 10,891, para. 16 (1995). Based upon the statements contained in your request, it appears that Cross Comm has the type of translator operations for which the Commission proposed to grant relief from the regulatory fee obligation. Under the circumstances, we will therefore waive the regulatory fees for Cross Comm's translator stations for FY 2002.

Dave Ogren, President

2.

You should note that Cross Comm is under a continuing obligation to report to the Commission any changes that could affect its qualification for this fee exemption. You should retain this letter, and a copy should be included in any correspondence with the Commission concerning the regulatory fees for your translator service. If you have any questions concerning the regulatory fees, please call the Revenue & Receivables Operations Group at (202) 418-1995.

Sincerely,
